JOB PROFILE

A person with a backpack is walking from left to right in the foreground, slightly out of focus. In the background, the Manhattan Bridge spans across the frame, with its steel structure and suspension cables clearly visible. The scene is set in an urban environment with brick buildings on either side of the street. The lighting is warm, suggesting the golden hour of sunset or sunrise, with long shadows and a soft glow. The overall mood is one of movement and urban life.

THE XPERIENCE CHURCH STORY

In the Summer of 2011, God began stirring a vision for planting a church in the hearts of Kyle and Justeina Brownlee. Kyle had been in full-time ministry for ten years at Teen Challenge in Brookings, SD (a men's drug and alcohol rehab facility that Kyle had graduated from before joining the staff) and Justeina was leading a national women's ministry that she had started hosting conferences and speaking to women of all ages across the country. However, they had always desired to lead together in ministry and felt God stirring their hearts for the local church.

After several opportunities fell through, they began investigating the option of planting a church. There was a couple that they were friends with in Defiance, Ohio, and they began praying and dreaming about possibly launching a church in this rural community in NW Ohio. After receiving confirmation from the Lord, they connected with ARC (the Association of Related Churches), and ARC helped them develop a game plan for launching a church. After that, they started building the launch team, hosting vision meetings, and preparing to launch Xperience Church. On September 16th, 2012, Xperience Church held its first service in the Defiance YMCA. 264 people attended that first service, with 11 people committing their lives to Christ. That day was just the beginning of what God planned to do through Xperience Church.

Just six months after launch, the attendance had grown to the point that a second service was needed. Over the next two years, attendance continued to grow steadily and in March 2015, Xperience Church launched a third Sunday morning service. In 2016, they launched services in the local correctional facility. In 2017, they launched the Defiance Dream Center and began ministering in Belize. By 2018, attendance had grown to over 1,000 people in weekly attendance over three services. The children's ministry had grown to the point where it was outgrowing the space at the YMCA and it was evident that they needed to explore other options. They began praying, as they had done since the very first day of the church, for the Lord to provide wisdom and clarity on the next steps. By the end of 2018, they were in discussions with the owner of the local mall regarding a vacant space that had opened up. They signed a lease in March 2019 and finished renovations in November. On December 1st, 2019, Xperience Church held its very first service at Northtowne Mall in Defiance.

Since then, Xperience has continued to grow each year. In 2020, Xperience Church was named the 33rd fastest-growing church in the country by Outreach Magazine. By the end of 2023, weekend attendance had continued to grow and exceeded 1,400 attendees per week. In 2024, Xperience was named the 89th fastest-growing church in the country by Outreach Magazine, without adding any additional services or campuses. Average weekly attendance is currently averaging over 1,700 people per weekend in November. Xperience knows that God has called them to plant churches, launch dream centers, and impact prisons in more communities across NW Ohio, and are praying for wisdom and clarity on His timing and direction. They would love for you to be part of what God is doing there!
