# THE GENERATION CHURCH STORY

Generation Church launched in 2014 and has grown rapidly since! Generation Church was co-founded by Pastor Ryan Visconti and his father, Randy. Pastor Ryan's parents, Randy and Dawn, had been the pastors of Celebration Church since 1999 (meeting at what is now the Mesa campus.) Pastor Ryan came to work for them as an executive pastor in 2011. After several years, through prayer and seeking God's will, the idea of relaunching the existing church as Generation Church began to form. One day in 2014, Pastor Ryan and Pastor Randy discussed possible names for this new church; Randy suggested the name "Generation Church!" They didn't realize how much the church would live up to that name, making a generational impact and demonstrating the power of a Godly legacy. Today, Generation Church's ministry shows the power of the gospel to change lives from one generation to the next.

On June 4th, 2017, they launched the South Mountain campus in Ahwatukee following a merger between Generation Church and New Life Church – established by Pastor Amy's parents, Paul and Beth Lavino, in 1991. The church continued to grow and multiply as one of the fastest-growing churches in Arizona and the nation. Another example of the power of a Godly legacy! In October 2021, they launched their Fountain Hills campus after a merger with Fountain Hills Christian Center, a church with three decades of ministry in the Fountain Hills community.

At Generation Church, they continue to emphasize the importance of evangelism – giving people an opportunity to accept Jesus nearly every Sunday. They also want to train disciples to live out their new life in Christ to the fullest. Generation Church is wired to reach the lost and make disciples for the glory of Jesus' name.

Generation Church believes that in the years to come, they will continue to grow and expand across the Greater Phoenix area, according to God's will and as opportunities arise. They believe that God's Church is the number one plan to reach the lost and make disciples, and the Lord has uniquely equipped Generation Church to do that. They unapologetically and boldly teach the Bible as God's Word, they experience the power and presence of the Holy Spirit weekly, and their people live out the love of Jesus. They are not perfect, but they are forgiven! Their story is still being written, and they invite you to join them on the journey and become a part of something bigger than any one person – the mission of God. The world needs Jesus now more than ever. With God's help, Generation Church believes they'll see lives changed, marriages restored, prodigal kids returned, and healing for the broken.

# MESA, AZ

---

Mesa, Arizona, is a thriving city that blends desert beauty, community warmth, and modern convenience. Mesa offers a vibrant lifestyle with a strong sense of local pride, excellent schools, and a wide variety of housing options.

Mesa is surrounded by natural preserves, mountain trails, and stunning desert views. Residents enjoy everything from local parks and lakes to the broader cultural, dining, and entertainment scene across the Valley. It's a short drive to downtown Phoenix's sports arenas, museums, and job opportunities—and about 3 hours to the mountains or 5½ hours to the California coast. The city continues to grow alongside a rising movement of spiritual hunger and community connection.

Generation Church has seen that growth firsthand. Known for its bold, biblical teaching and Spirit-filled worship, GC has experienced accelerated momentum since 2020. New members often describe the church as "loving and alive," and its focus on evangelism and invitation has made it a growing hub for those seeking truth, healing, and purpose.
