THE FAITH FAMILY CHURCH STORY

Since the beginning of Faith Family Church just over seven years ago, over 34,000 people have come to know Christ or rededicated their lives to Him in our services. In addition to that, we have reached people in our city and around the world through our outreaches, small groups, weekend services, and local, national, and international mission efforts. Countless lives have been changed forever through Jesus! God has repeatedly exceeded our expectations, and we truly believe He is just getting started.

We are committed to freshly seeking God so we can continue impacting the lives of future generations. We know that we serve a “No Limits” kind of God! He has proven that time and time again through Faith Family Church. As we have prayed, served, and given sacrificially, God has taken our efforts and blessed them like only He can.

More than ever, our world needs Jesus, and we believe that God wants to continue using Faith Family Church to be a light in the darkness. We will always say YES to wherever He leads!
